### How to Use Chart

#### HUE:

First words describe the primary color.  
Second and third words describe modifying  
hue or indicate two or more prominently  
defined colors.

\*It is not unusual to have bi-color or tri-color pearls.

\*Color banding also occurs and should be noted

\*Strawberry term also reflects rare Magenta points on surface

#### FLAME: termed "Fire"

Visible flame like pattern or structure.  
Light or bright are used to further refine color  
nuance identification.

#### EXAMPLES:

Magenta Snow

Silk Rose Fire Light

Snow Orange Gold Banded

#### NOTES:

Superlatives and diminutives to be added at discretion
